3 New EM•X Gold Based Products

::: EM•X Gold

::: EM Sea Salt Gold

::: EM Mineral Gold Supplement

New Products

EM•X Gold

A refreshment drink that's produced from a combination of selected ingredients using the latest in EM Technology™.

- :: A refreshment drink for people of all ages.
- :: Selected ingredients which help enhance the fermentation process.
- :: No calorie, No preservatives.

New Products

EM Sea Salt Gold

- :: Is produced from the pure ocean waters drawn from the bottom of the sea 612 meters deep off kume-jima.
- :: Not boiled the sea water in the process of drying
- :: Is concentrated and evaporated by sunlight in order to keep the rich taste.

New Products

EM Mineral Gold Supplement

:: contains a wealth of minerals from nature to improve and maintain balance in your body.

:: Is produced through a process of aging coral-calcium and natural seawater-based magnesium chloride with EM·X GOLD and then mixed with brewer's yeast.

:: Three major minerals contains; calcium, iron and magnesium.

Other Revolutionary
Products from EMCO
